RESERVATION POLICY:

A 50% deposit at time of reservation. The remaining balance is due two weeks prior to the date of the event. Orders placed within the two week time period prior to the event must be paid in full at the time of reservation. Any cancellations or deletions from your reservation must be made two weeks prior to the event date to avoid forfeiture of the deposit. A security deposit is required on all rentals secured by cash and is refundable upon return of all items, on time, clean and complete.

DELIVERY/PICK-UP:

Delivery and pick up may be available upon request and requires a minimum \$250 rental order (excluding inventory, damage waiver, delivery and taxes.) The round-trip delivery fee varies due to location and starts at \$125.00 during normal business hours. Additional charges may apply if a specific time window is requested. Delivery is to ground floor level, backyard or tent, within a reasonable distance of the loading area. Our delivery personnel will neatly stack all items in a mutually convenient location. Upon pickup, all items should be repacked in the containers provided. Tables and chairs should be stacked in the same manner as delivered. **Fees will be charged for unstacked items.**

SETUP/TAKE-DOWN FEES:

An additional tent setup fee (equal to 20% of tent rental price) will be charged on all tents. Delivery is required on all tents except 10'x10' Pop Up tents. Setup fees are \$4.50 inside / \$5.75 outside per table (does not include linens) and \$3.50 inside / \$4.75 outside per chair. Take-down fees are included in setup fees. The customer must make this request at the time of booking the reservation. In some instances, we will not be able to accommodate this request. Setup/take-down of flooring, staging and pipe & drape is included in the rental price listed. A site plan must be submitted at time of reservation with the layout of the tables and chairs. It is important that we have a contact on the day of the event if any issues arise.

RENTAL ITEM RETURN POLICY:

China, flatware and glassware should be rinsed clean and repacked in provided racks and crates. There will be a **\$0.25 per item for stemware, flatware and china** and **\$2.50 for each serving item** if not returned in this condition. Linens should be shaken and dry and returned in provided linen bags. Avoid placing linens in plastic bags, to avoid damage due to mold or mildew. All linens that are lost, torn, burned, or soiled beyond cleaning are subject to a replacement fee. Replacement fees will be charged for non-returned linen bags and non-returned dish racks or crates.

WEEKEND & OFF-HOURS DELIVERY/PICK UP:

Deliveries and pick ups that are made outside of normal business hours will include an additional surcharge. Weekend and off-hours delivery/pick up fees are in addition to the standard delivery fees.

Our normal business hours are Monday through Friday from 8am - 5pm. Our showroom hours are Monday through Friday from 8:30am - 4:30pm.

DAMAGE WAIVER:

The damage waiver is an additional cost (14%) that covers any small, accidental damage to items while they are in your possession. It does not cover items that are missing, stolen, damaged beyond repair, nor does it cover linens.

Damage waiver is required on all orders; you may have your account exempt from the damage waiver by providing a certificate of insurance. Please inquire for more information.

TENTS

FRAME TENTS

Frame tents are ideal for nearly every occasion and can adapt to most settings. Frame tents require fewer poles than traditional tent styles allowing for maximum usable space inside the tent.

HIGH PEAK TENTS

The look of a pole tent with the functionality of a frame. Known also as “cross cable,” or “high peak,” these tents offer an elegant profile. Peaks are created with tension from cables pushing up on a center mast, allowing for abundant usable space underneath the tent.

POLE TENTS

The catenary design enables beautiful swooping lines, yet allows for a smooth finish to the fabric.

SAILCLOTH TENTS

Our sailcloth tent has rounded ends, and a translucent top, putting it in a class of its own. They diffuse natural sunlight and glow in the evening as warm light emanates from inside
